

Inclusive Education Teacher

0.6 FTE

St Philip's Christian College Gosford is a rapidly growing learning community, striving to provide quality education in a caring and secure learning environment based on Christian beliefs, values and practice. We are currently seeking an appropriately qualified applicant to fill a Permanent Part-Time (0.6 FTE) Inclusive Education Teacher role for our K-12 Gosford School located in the picturesque Narara Valley.

What's the focus of this position?

Inclusion Education is based on the notion of embracing human diversity and welcoming all students as equal members of an educational community. This entails valuing and supporting the full participation of all students together in the most appropriate educational settings according to their individual needs. Inclusion requires recognising learning and neurological differences as some of the many forms of human diversity, and welcoming such diversity as a rich resource that is an essential component of humanity. As a part of equipping the students with a whole of life education, it is vital we support them in their journey at school, so that each child is able to reach their own personal potential. We strive to unlock the unique God-given treasure in every child, equipping them for a life of passion and purpose.

As a Christian faith community committed to the ministry of Christian education, the Mission Statement of St Philip's Christian Education Foundation states that:

St Philip's Christian College will continue to provide quality education in a caring, secure and challenging learning environment based on Christian beliefs, values and practice.

We therefore seek Christians who are professionally and personally committed to bringing their evangelical and Biblically based beliefs, values and practices to this ministry of supporting Christian Education. This role will commence as soon as possible.
