

NARNIA EARLY LEARNING

ACN 002 919 584

(Administered by St. Philip's Christian Education Foundation Ltd.)

ACCIDENT, INCIDENT, INJURY, TRAUMA & ILLNESS POLICY

AIM:

To establish clear lines of action to effectively manage an event involving a child becoming ill, injured, or involved in an incident.

EXPLANATION:

It is important for the safety of children that procedures are followed through in the event that a child becomes injured, becomes unwell, or an incident occurs while attending the service. The safety, health and wellbeing of children is a paramount consideration for our service.

IMPLEMENTATION:

- Nominated Supervisor is to ensure that first aid kit is well stocked at all times.
- All Educators are to have current first aid certificates. (HLTAID004/012)
- First Aid supplies are to be kept out of reach of children.
- Portable First Aid Kit is to be taken on **all excursions**.
- Follow health and hygiene policy when dealing with first aid.
- Blood to be washed down and cleaned with **bleach** (blood spills bucket) immediately. All items used in process of cleaning and first aid should be disposed of immediately by being wrapped up and placed in outdoor bins.
- Body Fluids (including vomit) to be washed down and cleaned with **detergent** immediately. All items used in process of cleaning and first aid should be disposed of immediately by being wrapped up and placed in outdoor bins.
- Staff ensure playground is kept safe and equipment is placed in safe areas with adequate soft fall underneath.
- Staff will maintain high levels of supervision.
- A Responsible Person is required to complete the accident/incident/injury/trauma/illness forms in conjunction with the witness of the accident/incident/injury/trauma/illness. Then the Director/Nominated person will read and sign it and follow up on any concerning accident/incident/injury/trauma/illness in order to report serious incidents to the department within 24 hours .
- Families will be informed of any accident/incident/injury/trauma/illness involving their child. Any serious incident will be notified to the parent as soon as possible as paramount.
- Care will be taken when assessing the seriousness of an accident/incident/injury/trauma/illness and if there is need for emergency services to attend.
- In the event of an accident/incident/injury/trauma/illness we will review the cause and take appropriate action where appropriate.
- Confidentiality is important and will be maintained at all times
- High levels of supervision will be maintained and ratios will be met at all times. Supervision plans will be regularly reviewed.

MINOR ACCIDENT/INCIDENT/INJURY/ILLNESS

Educators will ensure:

- Child is given immediate first aid appropriate to accident/incident/injury/trauma/illness by staff with current First Aid Certificate.
- Details are recorded on accident/incident/injury/trauma/illness (see First Aid Policy) which must be signed when child is collected.
- Parents are notified on collection of child. Parents will be notified at the time of any head injury occurring.
- In the event of an accident, incident, injury or illness – parents need to be notified within 24hrs of the event.
- Follow up with parents if any medical attention was sought in order to notify the department of a 'serious incident' within 24 hours

If requiring more First Aid or medical treatment:

- Staff to contact parents/guardian to alert them of accident/incident/injury/trauma/illness and ask them to collect child from pre-school and seek further medical attention.
- Child to be monitored by staff until parent/guardian takes responsibility.
- A notification must be sent to The Regulatory Authority through the NQAITS and notify the Area Director who will report to the Executive Director on behalf of the Approved Provider.
accident/incident/injury/trauma/illness report completed, duplicated and signed by parent/guardian.
A copy must be kept with child's developmental record.

MAJOR INJURY

- First aid to be given immediately by a staff member with approved first aid qualification.
- Staff to contact emergency services on 000.
- Staff to contact parents/guardians or if unavailable to contact other authorised persons and request they come immediately to the Centre.
- The person responsible for the child (staff or parent) to accompany child to hospital in ambulance.
- A notification must be sent to The Regulatory Authority through the NQAITS and notify the Area Director who will report to the Executive Director on behalf of the Approved Provider.
accident/incident/injury/trauma/illness report completed, duplicated and signed by parent/guardian.
A copy must be kept with child's developmental record.

KEY TERMS

| Term | Meaning | Source |
|--|--|--|
| ACECQA – Australian Children’s Education and Care Quality Authority | The independent national authority that works with all regulatory authorities to administer the National Quality Framework, including the provision of guidance, resources and services to support the sector to improve outcomes for children. | acecqa.gov.au |
| Approved anaphylaxis management training | Anaphylaxis management training approved by ACECQA and published on the list of approved first aid qualifications and training on the ACECQA website. | National Regulations (Regulation 136) |
| Approved emergency asthma management training | Emergency asthma management training approved by ACECQA and published on the list of approved first aid qualifications and training on the ACECQA website. | National Regulations (Regulation 136) |
| Approved first aid qualification | A qualification that includes training in the matters set out below, that relates to and is appropriate to children and has been approved by ACECQA and published on the list of approved first aid qualifications and training on the ACECQA website. Matters are likely to include: Emergency life support and cardio-pulmonary resuscitation; convulsions; poisoning; respiratory difficulties; management of severe bleeding; injury and basic wound care; and administration of an auto-immune adrenalin device. | National Regulations (Regulation 136) |
| Emergency | An incident, situation or event where there is an imminent or severe risk to the health, safety or wellbeing of a person at the service. For example, a flood, fire or a situation that requires the service premises to be locked down. | Guide to the NQF |
| Emergency services | Includes ambulance, fire brigade, police and state emergency services. | info.australia.gov.au/information-and-services/public-safety-and-law/emergency-services |
| First aid | Is the immediate treatment or care given to a person suffering from an injury or illness until more advanced care is provided or the person recovers.
