

UNIFORM POLICY **(update May 2023)**

St Philip's Christian College is committed to maintaining a high standard of school uniform. The uniform is a symbol of the College's commitment to excellence. It is standard across all the St Philip's Christian College schools. Our school uniform represents that we are united as a community across the different locations. It is also an outward sign of self-discipline for our students, which can be respected in the wider community.

All students are required to wear the appropriate complete school uniform. The exception is when there is a special occasion (e.g. certain excursions), and the exemption will be communicated in writing to the students and their families. The uniform should fit neatly and be kept to a satisfactory standard. The College's interpretation of what is a satisfactory standard is final. Students not complying with the policy will be required to accept the appropriate consequence.

Uniforms are to be worn seasonally. No parts of the St Philip's Christian College uniforms are interchangeable (e.g. no mix and match of formal uniforms and sports-wear) with the exception of long pants (boys) or black slacks (girls MS & SS) being worn in the summer months if desired.

Uniform items should be replaced when excessively faded, torn (unless tidily repaired), worn or undersized. Students wearing uniform off-campus (travelling to and from school, shopping after school, on excursions, etc.) are expected to remain in complete uniform for the duration of the travels, and they must strictly adhere to all grooming requirements.

As part of their commitment to our community, we expect students to:

- wear items of uniform as listed and described in the St Philip's Christian College Uniform Policy;
- not wear substitute items purchased elsewhere if they are normally available for purchase through the Uniform Shop;
- wear their uniform in a manner deemed by St Philip's Christian College to be reasonable and conforming to any guidelines as determined by the college.
