

Target Enrichment Program (HAWKE) Year 7, 2023

St Philip's Christian College Gosford will be offering a Target Enrichment Program (HAWKE) for Year Seven students in 2023 as part of its commitment to the education of its High Ability students. HAWKE is taught as a stage-based class over the two years, with the opportunity to complete their education in this class in an individualised way according to their strengths and abilities. The purpose of the program is to provide students with a nurturing environment that provides a diverse range of opportunities for optimum development and growth.

The date of the testing will be Tuesday 29 March, and confirmations sent out via email once applications have been received. Applicants are invited to submit a portfolio of learning encompasses that assist in building a picture of the potential of the student.

As part of our community commitment, we will absorb a significant portion of the cost for the testing. The cost of the test will be \$25.00 per student (normally \$55.00) you will be provided with a result sheet at the end of the testing and marking process. If you would like your child to sit the first round of testing on Tuesday 29 March 2022, please return your application and payment to Student Reception (administration office) at St Philip's Christian College Gosford by Thursday 24 March to ensure there are sufficient tests on the day.

Yours in the service of Christian Education,

Mr Nathan Hynd
*Extension and Enrichment
Team Leader*

Mr Peter Muddle
Deputy Principal

Mrs Jo LaPointe
Head of Middle School
