Managing Student Behaviour (Anti-Bullying and Harassment) Policy 2021

I. General Statement

At St Philip's Christian College we acknowledge the close relationship between student wellbeing, pastoral care, classroom climate and teaching and learning practice. Managing Student Behaviour therefore needs to be seen and developed within this holistic perspective.

It is to be noted that some school-based activities such as Managing Student Behaviour will be subject to a variety of 'policy areas'. It is also noted that each policy is not mutually exclusive, that is, there are implicit and explicit interrelationships between many policies. (eg. Commendation, Discipline, Anti-bullying, Supervision, etc)

Managing Student Behaviour (Anti Bullying and Harassment)

"Bullying is one of the major problems which the community, educators and parents are facing today in schools. Research shows that two thirds of school age children face bullying at some time in their lives. An estimated 15% of Australian school children are bullied weekly." (CCH – Schools and the Law).

The Australian Student Wellbeing Framework (2018) acknowledges the strong interconnections between student safety, student wellbeing, positive relationships and learning. Bullying is less likely to occur in a caring, respectful and supportive teaching and learning community. As a Christian College we believe that any behaviour where one takes advantage of another is not in accordance with the Biblical principles of each person being made in the image of God (and thus worthy of respect at all times) and being commanded to love God and one another.

Therefore, the implementation of this policy along with the Anti-Bullying and Harassment procedures and guidelines (and other policies for Managing Student Behaviour) will help to create and maintain a culture where bullying, harassment, violence and discrimination is unacceptable and occurrences minimized.

Definition – Bullying occurs when a person or group of persons deliberately and repeatedly hurts or frightens somebody less powerful than himself or herself for no reason. This may be done in various ways: by hurtful teasing; name-calling; malicious gossip, cyber bullying, image-based abuse, physically hitting or threatening someone or their property; or by continually and unfairly excluding someone.

Bullying involves a desire to hurt + hurtful action + a power imbalance + (typically) repetition + an unjust use of power + evident enjoyment by the aggressor and a sense of being oppressed on the part of the victim. (Bullying in Schools: What to do about it. Dr Ken Rigby. <http://kenrigby.net/>)

2 Aim

The aim of the Anti-Bullying and Harassment Policy is to create and maintain a learning environment where every student and school member feels safe, respected, valued and free from bullying, violence, harassment and discrimination.

3. Objectives - Policy Statement

3.1 Christian Ethos: Our approach to Managing Student Behaviour (Anti Bullying and Harassment), is underpinned by Biblical truth and motivated by Christian love. In this context, 1 Corinthians 13 provides a solid basis for all relationships at St Philip's Christian College. Jesus Christ is our definitive behavioural model.

3.2 Promoting a Safe, Supportive and Inclusive Environment:

- An holistic approach – where acceptance, care and safety are emphasised
- A whole school responsibility
- Consistent with legislation and reflecting Government policy
- Incorporates the principles of natural justice and procedural fairness
- Reflects the identified needs of the community
- Implementation of clearly-defined expected standards of behaviour
- Promotes positive student behaviour, including specific strategies to maintain a climate of respect
- Recognizes and reinforces student achievement and diversity
- Management of inappropriate student behaviour

3.3 Self Discipline

The ideal in managing student behaviour is that each individual student, motivated by a desire to please God, will take responsibility for their own behaviour, maintaining a self-disciplined approach in order to demonstrate excellence of both attitude and actions. As followers of Jesus Christ, St Philip's Christian College desires that discipline and encouragement may not just lead to self-control but to a Christ-centred life.

3.4 Respect

As members of the St Philip's Community we should treat each other with respect and dignity, being accepting of, and compassionate to each other. Therefore any act of bullying, victimization or harassment will not be tolerated. Each individual should respect the rights of others. These are to be treated with fairness and dignity and the right to learn in a safe and supportive school environment that values diversity free from bullying, harassment, discrimination and violence. We also have a reciprocal responsibility to keep others safe and to treat them in the same way - with fairness, dignity and respect.
